Results [TNR Font Size 12, Flush Left, boldface, Title Case Heading]

[Add text here.] [TNR Font Size 11, Regular (Body), Justified/Thai Distributed]

[The results of the study should be explicit and informative, including statistics, tables, and figures (e.g., graphs and charts). The results of data should be interpreted and distributed to the reader in an objective, accurate and non-private manner.]

To format the table in APA style, follow the example given below:

Table 1

Levels of EFL Students' Attitudes towards Using Online Dictionary

Component of Attitudes	M	SD	Levels of Agreement
The Affective Component	3.40	0.94	Uncertain
The Behaviour Component	3.41	0.98	Uncertain
The Cognitive Component	3.42	0.97	Uncertain
Total (*N*=30)	3.41	0.96	Uncertain

Note: M= mean; SD = Standard Deviation; Average Scores: 1 00-1.49 = strongly disagree; 1.50-2.49 = disagree; 2.50-3.49 = uncertain; 3.50-4.49 = agree; 4.50-5.00 = strongly agree

To format the figure in APA style, follow the example given below:
